

I Am Going To a Purim Celebration!

A Purim Social Story

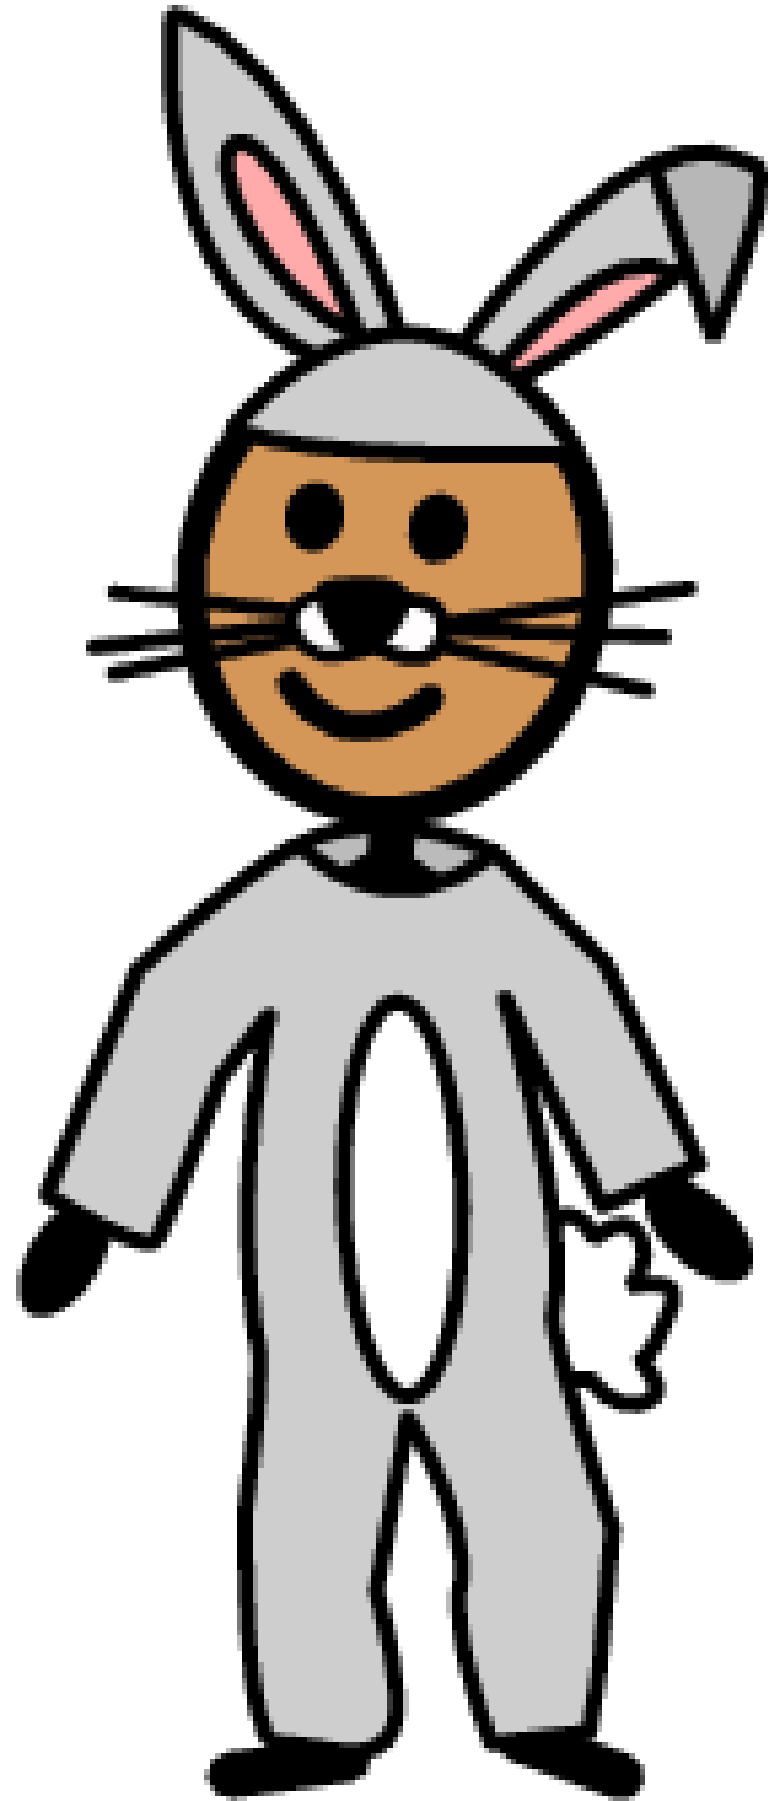

I celebrate **Purim!**

It's going to be
so much **fun!**

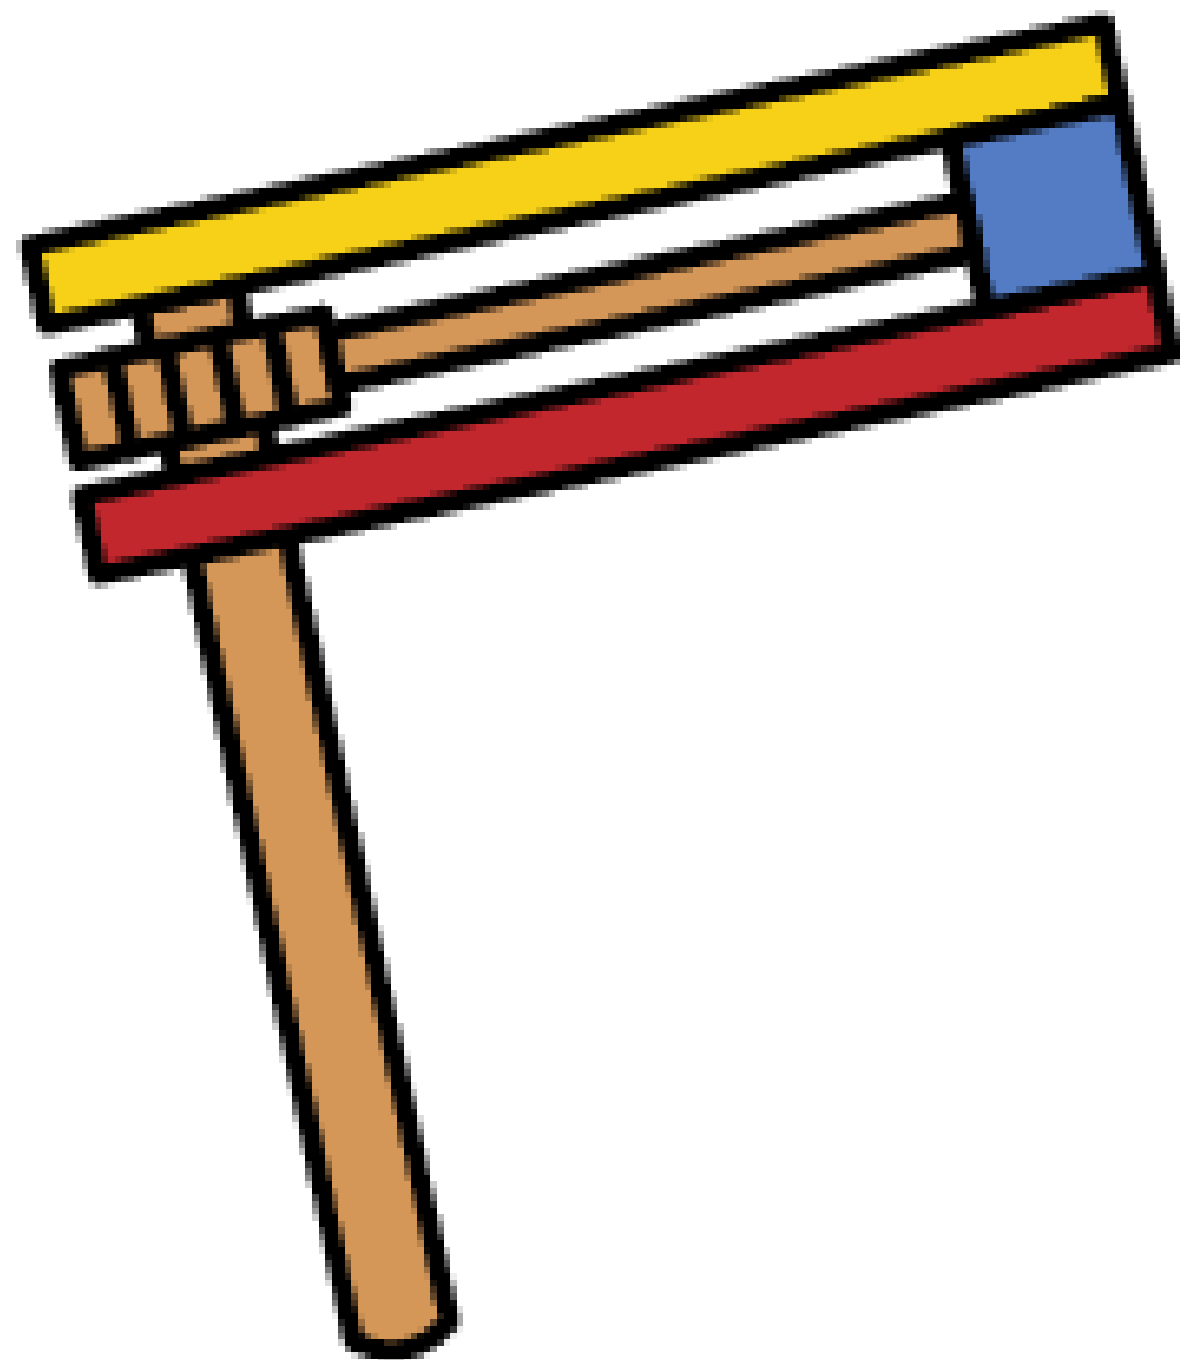

I am going to
synagogue.

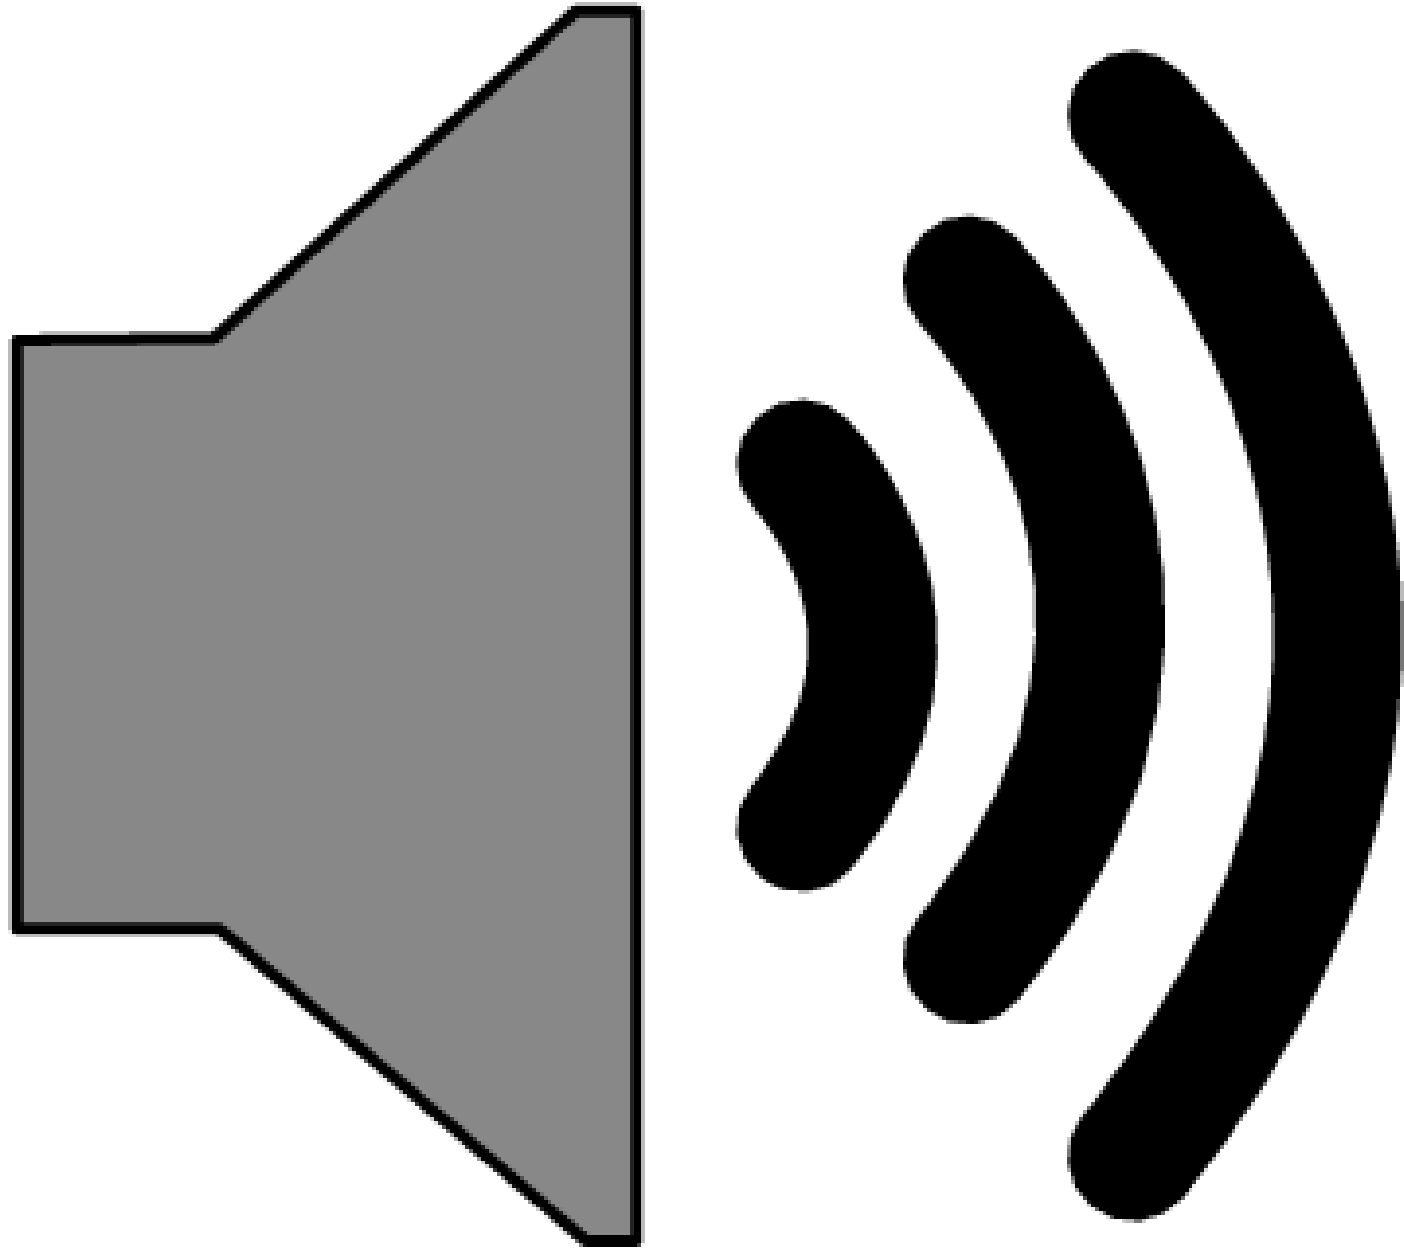

I am going to
wear a **costume**.

I will hear the
Megillah read.

I will shake my
gragger when I hear
Hamen's name.

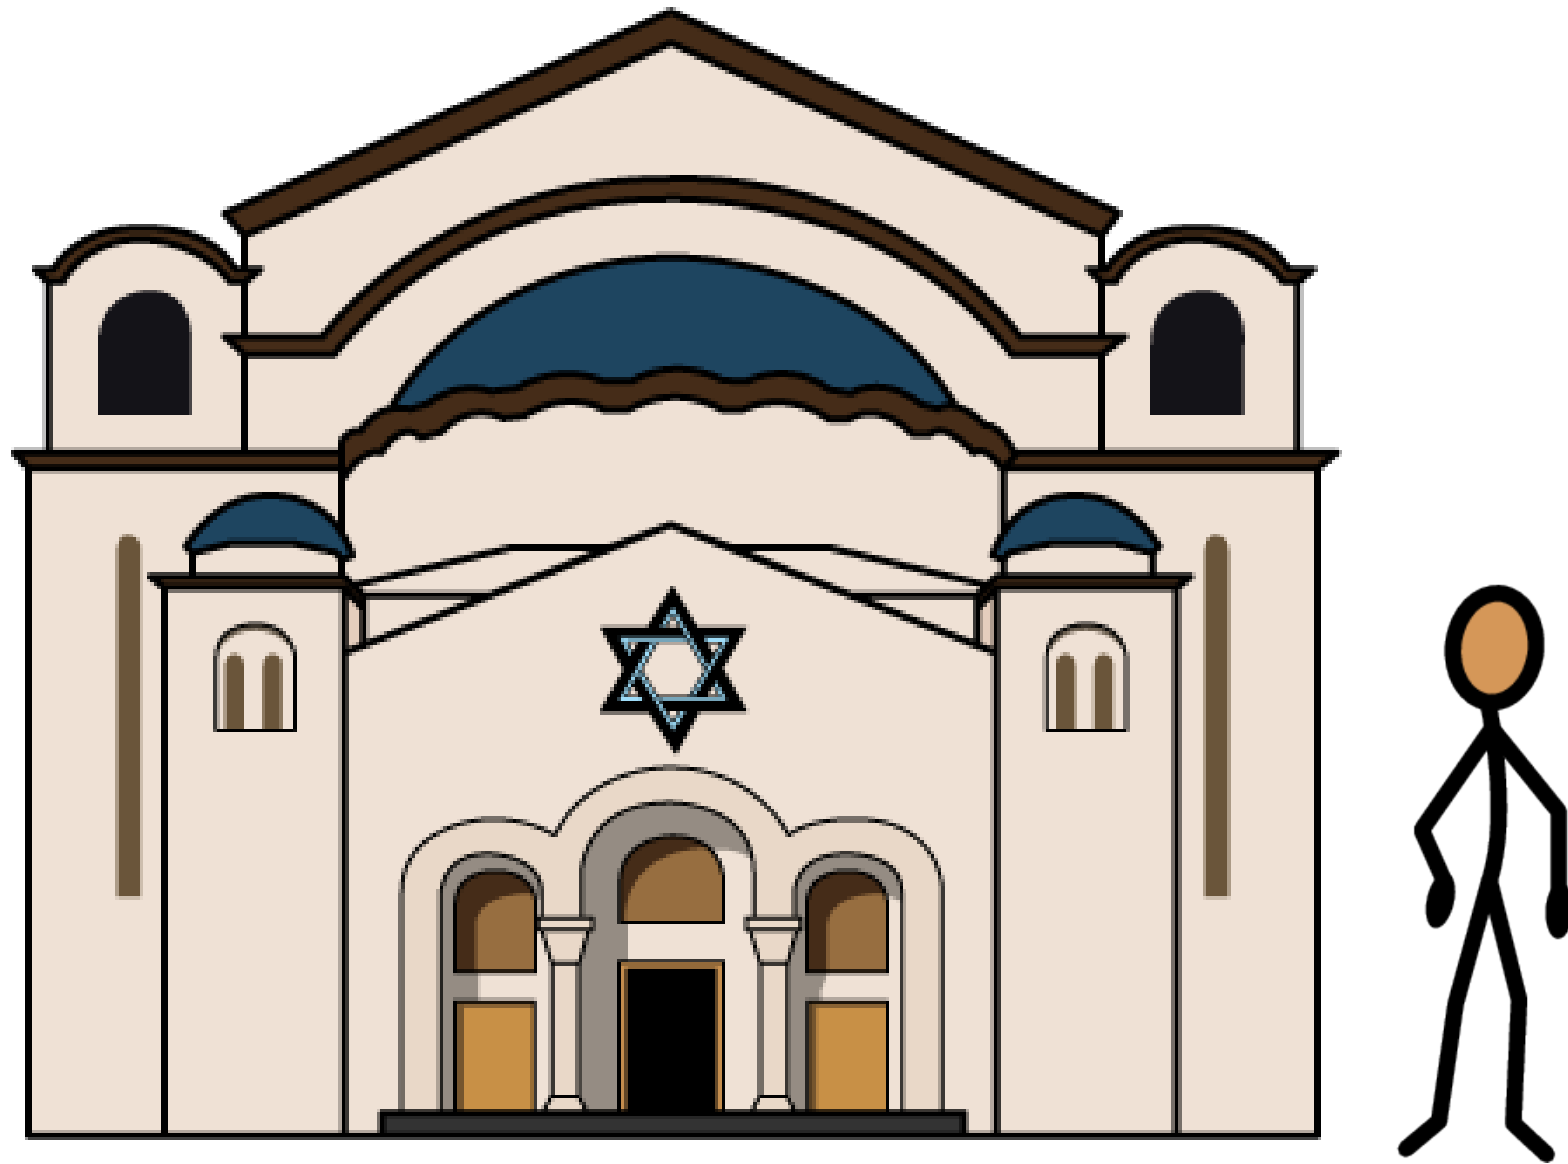

When Hamen's name
is read it will be very
noisy, and I may
not like it.

If I don't like the noise, I
can **cover my ears**.

If I don't like the
noise, I can
wear headphones.

If I still don't like the noise, I can go outside the sanctuary and **take a break.**

I will have so much fun
celebrating Purim!
